Tucker Park At Maidens Crossing– DEDICATED

Task Force Chair, Beth Moore dedicates the new **Tucker Park at Maidens Crossing**

The park was designed by the late, Don Charles.

On Oct. 12, 2011 the park was officially dedicated and marked the beginning of public access to the site and centered on honoring the Tucker Family and the park’s key donors and volunteers.

“This scenic park represents Goochland County’s quest to re-unite our residents and visitors with the natural beauty of the James River”, said Beth Moore, “we are grateful to all who have been part of the vision and creation of this site and we invite the public to come down and enjoy our walking trail and fish, picnic, read, paint and relax by the river”.
